Commissioner for Patents

Alexandria, VA 22313-1450

Dear Sir:

After reviewing the recent Notice of Allowability, Applicants noticed a discrepancy therein with the previously mailed Notice Of Allowability). The recently mailed Notice of Allowability provides that none of the certified priority documents were received, whereas the previously mailed Notice Of Allowability (copy enclosed) provides that these have been received in connection with this PCT national stage application. Thus, Applicants request that the USPTO make appropriate correction to its records as well as mail a supplemental Notice of Allowability correcting same.

During a recent review of the file, it was discovered that Applicants had not received an initialed PTO-SB/08 back from the USPTO for the previously submitted Information Disclosure Statement dated August 2, 2005. Accordingly, Applicants request the Examiner to take this Information Disclosure Statement up for consideration and return a communication reflecting consideration of the cited art.

As assistance to the Examiner Applicants are enclosing herewith a copy of the previously filed Information Disclosure Statement as well as the PTO-SB/08 filed therewith (as obtained from the image file wrapper). The image file wrapper of the USPTO was checked and it appears that any non-English references have been submitted and need not be submitted again with this Letter.

An additional fee is not believed to be required for consideration of the previously submitted Information Disclosure Statement. However, the Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1105, under Order No. 55845(70904).

Dated: November 16, 2007

Respectfully submitted,

/William J. Daley Jr./
